A Long Vision for RSF:

- Building
- Establishing
- Flourishing

Key Themes from the First Ten Years:

Faith, Prayer, & Worship

“I always honor faith.”

- God

Hebrews 11:8

By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going.

Journal Entry: July 4, 2007

Isaiah 9:2

The people walking in darkness
have seen a great light;
on those living in the land of deep darkness
a light has dawned.

“Talk to God about the city before we talk to the city about God.”

- Approach of RSF Prayer Tours

Email to Church from October 2009

“Reality is beginning our presence in San Francisco a little old-school. We’re starting with a prayer meeting, just a prayer meeting. A gathering of people, normal people and maybe even some people that get a bit nervous about praying out loud, together praying for the needs of our city to a transcendent God who hears and acts.

We believe that before we can radically pour our lives in service to San Francisco we must go to the Fount from which all passion and compassion flow.

We believe that before we can be part of, ‘His Kingdom come, His will be done on earth...’ we must open our mouths in prayer, ‘Father who art in Heaven...’

The first century church started with a prayer meeting, and on Sunday night, Reality San Francisco gets to be a part of that historic stream.”

First Sermon Preached at First San Francisco Prayer Meeting

We prioritize prayer at Reality SF out of:

- Dependence
- Desperation
- Desire

Journal Entry from June 28, 2008

“Pray for intercessors in SF and for SF.”

Trusting in God through faith, depending upon God in prayer, and responding to God in worship.
